

## **FROM THE PRINCIPAL'S DESK**

*News line ,2022/23 of DPS Amaravati endeavors to showcase events and activities that constantly take place ,to maintain the tempo of happy learning with thrust on activity based learning at the school and beyond.*

*November has gifted us a favorable weather making all our indoor and outdoor activities a huge success. The month began with our children's energetic participation in the 'Balotsav' a state-wide three day meet held at VVIT. children put in a substantial effort to participate in poem recitation ,story narration and Art.*

*DPS team did not compromise in planning a fun filled ,inspiring Children's day 2022 for our students. Awestruck performances in the areas of dances ,skits and songs by the teachers themselves has captured our children's attention and hopefully they would have carried home some standards of perfection.*

*We have jump started Sports meet preliminaries for both Primary and Secondary, to encourage our young sports people discover their strengths and perceive their passions for a healthy life style. We would like to congratulate students who participated in the world-wide Delhi Public Schools Quiz competition and wish them the best of opportunities to reach out to higher levels. Students are demonstrating their talents and interests in the Co-Curricular Activities conducted on Fridays through story writing ,Calligraphy and story telling .It gives immense pleasure to see them learn and grow day by day.*

*It's been a privilege to have the honorable guest ,Former Scientist ,Sri. Y. Siva Prasad garu visit our Campus and conduct a valuable workshop to feed children's curiosity on India's Space Exploration .*

*Students returned with happy faces from their safely guided field trips to Hailand and an industrial tour to the Sangam Dairy farms. We also took the opportunity to educate children about our great Constitution and had them recite the preamble in one voice on the Constitution Day ,the 26<sup>th</sup> November ,2022.*

*The daily events / program for the day at the school also include interesting morning assembly sessions with prayers , news headlines and other activities based on the importance of the day. We firmly believe that ' all work and no play' brings down students potentiality .So ,our endeavor is to make each one of them enjoy outdoor activities to not only remain fit but also emerge as 'all-rounders' with a holistic personality development.*

*All the very best. May god be with you all.*

# Balostav(VVIT)

Our students have actively participated in state-wide competitions held at the 'Balostav'. Students actively participated in the competitions including poem recitation, story narration and Art.

# Children's Day Celebration

“Every child is a different kind of flower and all together makes this world a beautiful garden” – Jawaharlal Nehru.  
14<sup>th</sup> November is celebrated as children's day or Bal Diwas. The day was commemorated with immense joy, enthusiasm and magnificence. Commenced with an assembly ,the celebration was followed by teachers performances such as dances, skits and songs with an ambience of gaily decorations and backdrops. After lunch, a few indoor party ice-breakers were organised along with some outdoor games. All intended to bring excitement to children on their special day.

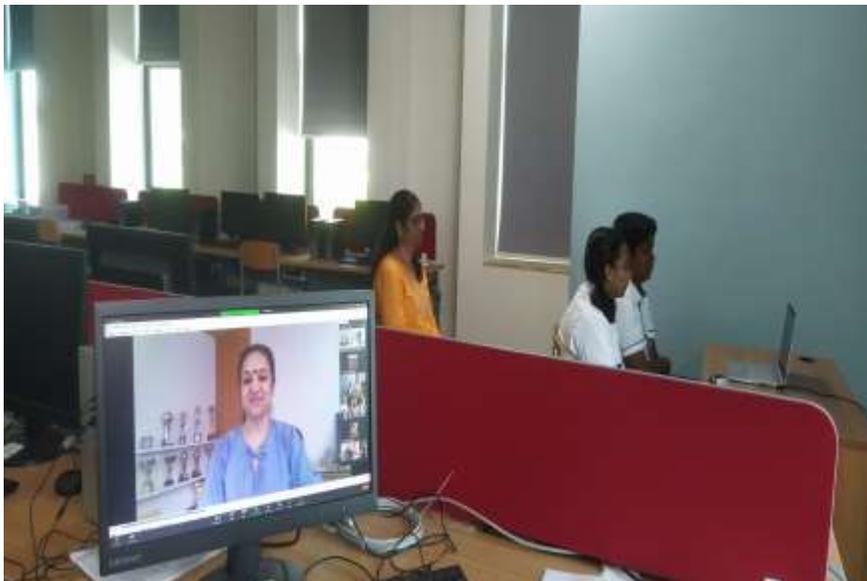

# Sports Competitions

“Sports reveal as well as build our character”- Heywood Hale Broun. The preparations for the annual sports meet 2022-2023 have taken a flying start. The prelims have been conducted with a motive to include and encourage the participation of all pupils both primary and secondary. The finals of major track events have been reserved for the big day- ‘Annual Sports meet’.

# The Inter DPS quiz

The quiz competition has been virtually organised by the society of Delhi Public School involving all the other DPS schools. The questions covered national and international current affairs, the history and geography of India . We congratulate our team who represented our school in the event.

# CCA

“Co-curricular activities are vital for habit formation ,to inculcate and sustain personality traits. Every Friday, the first hour is meant for co-curricular activities. During the month of November students have taken part in the activities of story writing, calligraphy and story telling. These activities generate child’s interest towards certain activities.

# Hailand Visit

# Field Trip

# ISRO(Rocket science)

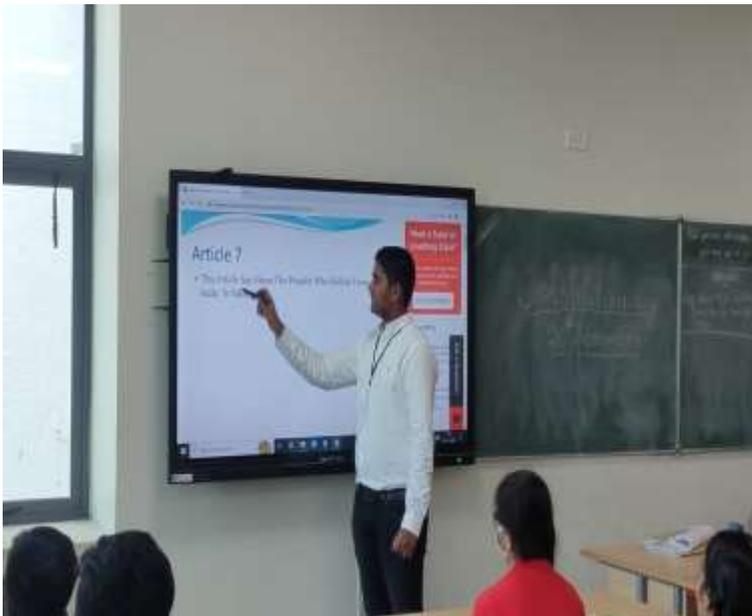

An inspiring workshop on space exploration, Rocket science and the role of ISRO was lead by Sir. Y. Siva Prasad , former scientist , ISRO. The workshop provided numerous insights about the role of ISRO in the field of space exploration in India. The workshop generated awareness in our students , the need to understand and explore space.

# Constitution Day

November 26th, is commemorated as the Constitution Day. On this day, children recited the preamble of the Indian constitution with one voice. Every point of preamble has been eluded to them.
