

FROM THE PRINCIPAL'S DESK

Newsline 2022/03 of DPS Amaravati endeavors to showcasing humungous number of activities to keep the tempo of happy learning with thrust on activity based learning at the school and beyond .With The Covid Pandemic receding into our time memory ,the monsoon had shown its full colors with unending rains lashing the State which also brought welcome cool climate in our area of location with lush green fields and pollution free lovely skies .

We at the school continue to believe in all round development of our children with large number of activities which are unique to the school in the twin cities of Vijayawada and Guntur. The school celebrated Teachers day on 05 Sep 22 with large of number activities both by teachers and students. The month also added luster with celebration of Onam festival with song and dance unique to Kerala.

The daily events / program for the day at the school also includes interesting morning assembly sessions with prayers , news headlines and other misc. activities as per importance of the day. The school also celebrated Grand parents day on 11 sept 22 with active participation of grand parents and Hindi Divas day on 14th Sep.

The month also saw the visit of our children to Organic plants nursery to understand organic and green farming. The unique facility of hydroponics established in the school has seen enthusiastic participation in the same. The children also keenly participated in NCC and sports and games in the school. The school also had the privilege of conducting unique Mirai orientation programme using AI (artificial intelligence) to assess assimilation of students / reading abilities with cooperation from Team in Dubai.

we believe all work and no play makes children dull boys/girls and endeavor is to make each one of them enjoy out door activities to not only remain fit but also be a genuine all rounders with all holistic personality development.

All the very best. May god be with you all.

Assembly

Assembly in the morning prior to regular classes is part of DNA of the school with myriad activities where the day begins in orderly fashion while inculcating the spirit of discipline, time schedules, knowing happenings around the world through news review apart from building self confidence in children in handling the proceedings under the guidance of teaching staff.

Mirai Orientation

The Orientation conducted by **Mirai** by well known team headquartered at Dubai is a unique and one and only programme conducted at DPS Amaravati for the benefit of children of our school bringing in the advantages of Artificial Intelligence (AI) to assess the reading ability of a child through his/her pupil. Parents those who have attended the program very well appreciated.

FITJEE Orientation

DPS Amaravati has a tie up with prestigious training institution **FITJEE** to train students of class 8,9,10. In this regard an orientation program for parents was conducted. Faculty heads of FITJEE (physics, chemistry & math) gave an insight about the training Program. They also addressed the queries of the parents.

Teacher's day celebrations: 5th September 2022

Teacher's day celebrations: 5th September 2022

“ I have always felt that the true textbook for the pupil is his teacher.”

-Mahatma Gandhi

The birth anniversary of Dr. Sarvepalli Radhakrishnan, a teacher & Philosopher is commemorated as the ‘Teachers’ day to honor him and all the teachers who tirelessly strive to bring best out of the students. The students paid their respects to their teachers with scintillating program with wide variety of performances exquisitely knit together. The elegant dance performances, charming skits, a fabulous magic show and finally a magnificently decorated background all done by the students themselves, laid a perfect platform for the students to express their gratitude and bring out their best in creativity.

Teacher's day celebrations: 5th September 2022

Onam Celebrations (September 8th)

Onam, is a harvest festival which is celebrated in the month of chingam as per the Malayalam calendar and is one of the most popular festivals of Kerala.

As part of Schools curriculum we celebrate all festivals to teach children the significance of the festivals and need for respecting each others traditions & customs. The celebrations started with lighting of a lamp followed by dance & songs and talks explaining the rich culture of Kerala .

Grandparents Day(September 11th)

Hindi Diwas(September 14th)

“Hindi is the simplest source of expression of our nation”

Sumitra Nandan Pant

Hindi Divas is celebrated on 14 September to commemorate the day when Hindi was adopted as one of the official languages of India . Hindi is the soul of Indian culture & most widely spoken language of India. To celebrate the same, song & dance was organised to bring out the significance of the day.

Organic farming

A Visit was organised to Organic Plants Nursery. The visit highlighted the significance of organic farming & benefits to the children which was subsequently explained to all children in the school along with planting of variety of plants & taking care of organic vegetable plants in the school

Hydroponics

Hydroponics, is future farming is a method of growing plants without soil. The plant roots are fed with nutrient infused water through which plants can be grown throughout the year. The hydroponics has been installed in the school premises to educate the children about technological advancement in farming and bring in chemical free vegetables for consumption

Science project work

Children of class 3 have enthusiastically took part in the garden project and have observed the stages of plant growth.

Science Project work

The enthusiastic participation by grade 4 and 5 students to display their mastery in Kaleidoscopes, human organ systems.

CCA

Students of all level enjoyed taking part in Fireless cooking and made delicious food items.
