

FROM THE PRINCIPAL'S DESK

Dear Parents,

It has been an eventful & busy month both for children and staff with children of class 10 appearing in CBSE board examinations, while the rest busy settling down for the new academic year 2023-24. We are indeed happy to inform parents / Guardians that our persistent hard work with diligence has paid off with approval of senior secondary level by CBSE Board from the academic year 2023-2024. We as DPS family are happy to welcome first batch of class XI students to the portals of the school. We seek support and good wishes of wider family of DPS Amaravati to mould and guide the children to be successful in their journey ahead. We take great pleasure in informing the parents that DPS Amaravati had met all norms and beyond for Affiliation by CBSE board to impart education in meaningful way to all present and future generation of students of DPS Amaravati. Our compliments to one & all who worked with single devotion to help CBSE Senior secondary level Affiliation. The month of March also saw conduct of interactive sessions with the 'Art of Living'. Awareness on Prajna Yoga (The intuition process) for the students, know your child programme for the parents and teachers' programme for the teaching staff which were conducted by well-known experts in their respective fields.

Academic year 2022-23 also culminated with students performing well in both academics & other activities. Parents were also Informed of the academic plan for the academic year 2023-24, the facilities added and purpose of the same with assessment tools, the need to work together towards the child's all-round development during the orientation program. The icing on the cake is the end of the academic year programme by our tiny kindergartners in their graduation ceremony & promotion to exalted Class 1. We as a school are committed to bring all our students a great year of exhilarating experience with opportunities to learn and explore in the new academic year 2023-24. All work and no play makes children dull boys/girls and our continued endeavour is to make each one of them enjoy out door activities to not only remain fit but help in all-round development with holistic personality.

Wish everyone a fruitful & fun frolic academic year 2023-24.

May God be with you all.

JAI HIND

CBSE Inspection

Inspection committee team with two members Mr RK Sharma & Mrs Sucharitha detailed by CBSE affiliation unit, New Delhi have conducted inspection of the school on 25th March 2023 to recommend granting of affiliation for Senior secondary level of XI and XII to the school. The inspecting team had meticulously verified as per norms set by CBSE and were more than happy with infrastructure, teaching methodologies and facilities for sports & games apart from safety & security of children. The ICT applauded the efforts being taken by school in providing Excellent facilities In laboratories, equipment, library, physical education and most importantly the commitment & quality of teaching staff of the school.

Art of Living

Educators from the Art of Living, organisation have interacted with parents, students and teachers to explain the importance of meditation. The team demonstrated the benefits of Prajna Yoga(The intuition process) for the students, know your child programme for the parents and teachers' programme for the teaching staff.

Parent Orientation

As the new academic year commences, an orientation programme was conducted for parents of all classes. During this programme the parents were briefed regards to the academic curriculum & plan for the academic year 2023-24. They were also briefed about facilities and assessment tools that school uses to impart quality education & need for student specific goals for teachers and parents to achieve the aim of developing a child.

Pre primary Graduation Day

There is something special about a kindergarten graduation Ceremony – “Innocence retrained, journeys begun and dreams waiting to be achieved”. A day to cherish when the students of senior kindergarten prepare themselves to land their tiny feet in class 1. To mark the culmination of the pre-school years, kindergarten graduation ceremony was organized for SKG students of 2022-23 batch. The tiny tots, parents and teachers enjoyed scintillating performance of the students and celebrated the event.
