

From the Principal's Desk

News line of DPS Amaravati, endeavours to showcasing monthly activities designed to inculcate ,a happy learning with thrust on activity-based approach at the school and beyond.

To generate awareness on the global trends and an overall understanding of the available options in US & Canada we had our 8th to 11th class students attend a webinar on 'Global Perspective on Undergrad Education' .They were introduced to the list of top ranking Universities in both the countries and the requirements to land in one of them.

An expert team of dental and eyecare providers, willingly offered Preventive care screenings at our campus. It is expected of the students to make oral hygiene and overall health a priority in their everyday routine.

Taking into consideration our students' unique interest in sports and the need to upgrade their skill level in the preferred field ,we are offering an 'After School Excellence Program ' . We encourage children to avail the opportunity and put their leisure time to a better use. A day care facility was introduced as well, for our kindergarteners for a little more learning, fun and care after school.

Awestruck paintings and ideas were delivered by our children for as important concept as 'One Earth, One Family, One Future'. It is one of our important ideologies we want our children to carry forward with them.

Our guest speaker of the month Mr. Rajesh Damarla, International Coach and guide to many present-day startups shared his valuable insights on the business strategies and the Entrepreneurial skills needed to stand ahead of the time.

We congratulate Ms. Sridevi.M. one of our brilliant faculty on achieving Google Educator -level 1, CENTA Certificate in 'content development and planning' and 'The International Teacher's Olympiad Certificate of Merit'.

We take pride in congratulating M .Vyshnavi karthika, who achieved 2nd place, AP state FIDE rapid rating chess championship-2023, Dishanth and Aarush (class VII, 1st and 2nd places respectively in, State open Tennis Tournament), B Vishal (class V, Silver Medal, AP state level Karate Tournament)and Venkata Sai Aarush(class VII, Runner , Hard Tennis Championship-2023).

We appreciate the feedback received from the parents during the PTM and together we will make the best out of the academic year 23-24.

JAI HIND

**Dr M Usha Rani, Principal
DPS Amaravati, Guntur**

Webinar by Turito

The students of grades 8 to 11 were encouraged to attend a webinar on Global Perspective on Undergrad Education. The webinar was about numerous overseas options available for further study in Canada, USA, Australia etc. after class 12, the streams and courses offered, the examination pattern for the entrance and scholarships etc. This webinar has provided an overall glimpse of studies abroad.

Excellence program

“That extra-effort makes the one better than the rest”.

The desired students shall participate in excellence program which takes place after school on three consecutive days of the week. Students have a variety of options to choose to be trained by in-campus coaches.

Dental and Eye checkup

The DPS, keeping in view the health of its students, initiated the dental and eye checkup camp in the campus. The main aim of the camp was to provide basic dental health education to children and motivate dental hygiene and maintenance. This camp was carried out with the curiosity to find out the prevalence of dental diseases in primary school children with deciduous dentition and early mixed dentition. The report has been duly shared with parents in order to go for a serious check up if required.

CCA

One Earth... One Family....
One Future.. Students were
made to produce their
creative and artistic works
on the theme of G20 Summit
which is being held in our
country. Students have come
up with excellent drawings
and thought provoking
essays.

Guest lecture on Entrepreneurship

“Everyone can tell you the risk. An entrepreneur sees the reward”

An interactive session was organized about entrepreneurial skills required to successfully launch a start up. It was an honour to have Mr. Rajesh Damarla, an International coach, speaker and a guide to young entrepreneurs. Reversed the concept, students posed him various queries about business strategies, ideas and required skills. This shall indubitably create an impact among young minds and kindle the desire to be an entrepreneur.

U/15 girls : 2nd place

Assembly

The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted to the moral values and unleash their vitality. The serene early morning hours welcomes one and all to the school campus as the premises echoes school prayer, followed by the pledge, thought for the day and news headlines. We believe, the morning assembly plays an incredible role to: Develop a feeling of togetherness and unity among students. Aid the students to develop a sense of identity and loyalty to the school and to the nation, Help and encourage the students to share their experiences, stories, anecdotes etc. with others.

Introducing Robotics

DPS has made Robotics and AI an integral part of its curriculum keeping in view the global needs of its students by collaborating with Think Edge. Resource person has provided necessary guidance on how the syllabus from class 3 to 12 could be designed and implemented effectively. We would strive to make this new concept fruitful and successfully serve the purpose it was intended for.

Mrs.Sridevi Makarla

Our staff continues to upgrade their teaching skill set by taking part in various courses.

Ms. Sridevi Makarla has achieved the certificates in Google educator – Level 1, CENTA certificate in content development and planning, International Teachers' Olympiad Certificate of merit, for her active participation in the course.

Day Care and UT exams

“It takes a big heart to help shape little minds”

On par with the motto of DPS, Amaravati, we continue to expand the range of services by instigating ‘DAY CARE’. This initiation shall continue to provide a sumptuous service to all our stakeholders. Our day care is a great blend of safest hands and the most sedulous hearts.

“Tests test the success of teaching and learning”

Unit Test – 1, the first formal test of the academic-2023-24, have been successfully conducted. This test aids the teachers to pursue every student and adopt to the learning needs of each of them individually.
